Questions

General

#1: Is the sponsor making reasonable progress towards project completion?

Yes. Yes, they're moving right along!

#2: Are there concerns about the sponsor completing the scope of the project or elements in the project agreement?

No.

Accessibility

#1: Are there concerns about how ADA access is being implemented?

No. Design for the walkway down the hill to the swim area was slightly redesigned based on input for Rory Calhoun regarding slope angles and run lengths, while avoiding sensitive root areas of the endemic oaks.
